

Te Kōpuni Kāinga o Te Tau Ihu

Top of the South Neighbourhood Support

Strengthening neighbourhoods, connecting communities

We work collaboratively with individuals, groups and organisations active in our region to improve local participation, accessibility & wellbeing.

Our guiding values : Whananga pono

Whanaungatanga - we foster the importance of relationships & connections

Kotahitanga - we are inclusive & work collaboratively in partnership

Manaakitanga - we show respect, generosity & care for others

Mahi tahi - we work towards a common goal

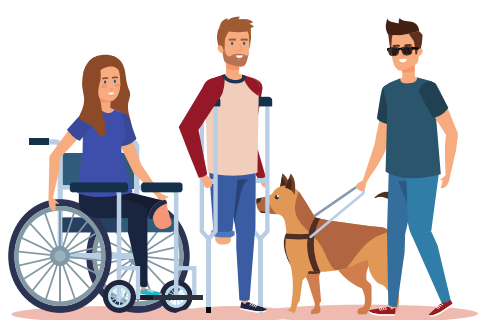

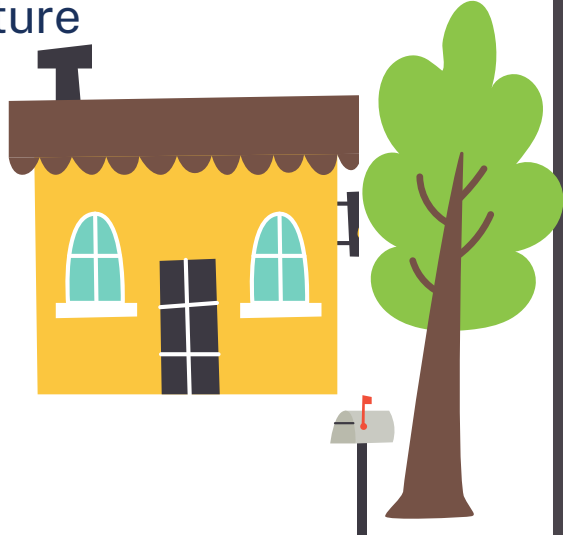

Our foundation

We are Te Tiriti o Waitangi led and equity focussed

Work with people, whānau & communities in ways that improve their lives

- Connect with communities, whānau & people to understand their needs
- Value & encourage diverse ideas contributions
- Promote positive interactions between groups & people to build a sense of belonging, inclusion and co-operation
- Support healthy living, physical activity and mental wellbeing
- Encourage safety & resilience
- Protect our society & environment for future generations

Secure & grow partnerships that value local-level engagement, foster participation & actively lift our visibility

- Lead, advocate for & enable local-level engagement
- Develop new strategic partner relationships
- Collaborate & innovate to increase community engagement & enjoyment
- Grow our membership
- Increase opportunities which empower volunteers & members to be actively engaged

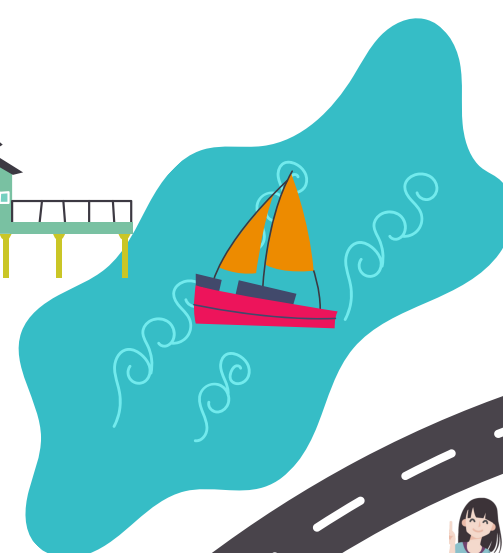

Develop our reach across the region

- Grow & diversify our sphere of influence
- Understand the best ways to work with each community to counter isolation, improve access & respond to specific needs
- Identify the needs of rural and small-town communities
- Ensure that resources are targeted to have the greatest impact

Use our resources efficiently & effectively to deliver equitable outcomes

- Nurture a values-based, high performing organisation culture
- Develop & deliver relevant programmes & projects that make a measurable difference
- Monitor & evaluate the impact of our decisions and actions

Grow & diversify revenue; ensure financial stability

- Deliver value from financial resources to achieve our purpose
- Develop new funding & diversify revenue streams
- Actively manage finances to sustain future impacts
